

The Accident -

Short animated film, commissioned by Channel 4, 2007.

A true story, series of memories, exploring using drawing, ink, animation and motion graphics production. Accidents, mistakes, the remembered (and forgotten) - how memories form, and are shared. The forgotten, past(s.)

The film was shown at festivals internationally during 2008, included the Krok Festival in Russia, onedotzero, the London Animation Festival, and Animac, Spain.

The film premiered at the Edinburgh Film Festival - August 2007, and was broadcast on Channel 4 in November 2007.

Full credits, and press pack, are ~~va~~ available
